WOMEN OF THE BIBLE

Delilah

BEAUTY AND THE STRONGMAN

What could one woman do that the entire Philistine army could not? Subdue the strongest man who ever lived, that's what. Samson, the Israelite judge blessed with enormous strength, had wreaked havoc on the Philistines for years. He had killed over 1,000 Philistine warriors at one time with the jawbone of a donkey. Fortunately for the Philistines Samson had a weakness. He loved Philistine women---especially Delilah. She was offered a lot of money to uncover the secret to Samson's strength which she did---his hair which she cut. Without his strength Samson was captured. Samson eventually toppled the temple to Dagon killing thousands including himself.
