* I Timothy 6:17

* 2 Timothy 2:11

* Hebrews 10:35

* I John 4:16

- B. Read Romans 8:28-29. How does Paul define the **decreed will** of God in this passage? What attribute of God is this describing?

* Remember there is also the Permissive Will of God (human's ability to choose).

C. When Solomon states that "**He (God) will show you which path to take**" how do understand the word "path."
