Immersed in His presence, Attentive to the Kingdom of God

- A. Jesus talked about the kingdom of God before this. How might it have been different during the 40 days after the resurrection?

- B. How do you see things different in your life knowing Jesus power and resurrection?

- C. What helps you be immersed in His Presence?

Be His Witness, Empowered by the Spirit

- D. What was the witness in your life of other Christians that hindered or helped you in coming to trust in Jesus?

Be led with our hope in Jesus, His Kingdom and Return

- E. Is there someone to whom or a setting to where you feel the Lord calling you to be a Spirit-filled witness for Christ?

- F. Are there opportunities He is giving you to be his witness in your Jerusalem, Judea and Samaria, and the ends of the earth?

G. What are fears or hindrances to living into those?

Application

A. Have you ever sensed the power of the Holy Spirit when you were sharing with someone about Jesus? How do you need the Holy Spirit to help you?

B. How does the commission in Acts 1:8 make you feel? Motivated, overwhelmed, indifferent, other?

C. How would you define your Jerusalem, your Judea, your Samaria, your ends of the earth? What is the mission field Jesus has sent you to right now?
