

SCC Small Group Study – July 23, 2023
Dr. Scott Koenigsaecker
Acts 2:36-47

Getting Started:

What are you looking for in terms of community when it comes to church?

What are some characteristics of authentic community that you value?

Searching the Scriptures:

A. What made the early church so appealing to others?

B. What does it mean to be devoted?

C. How important is having a sense of awe and expectancy in our fellowship together?

D. What do you think the impact was from the “wonders and miraculous signs”? What were these signs?

E. How would sharing everything and being together every single day change our experience of fellowship?

F. Why do you think the Christian community today does not have the early church's depth of relationships?

Application of Scripture:

A. How is our church fellowship like or unlike the fellowship described in these verses? How could our church be more like this example?

B. Which aspect of the spiritual life and energy found in the early church do you most desire for yourself? For our church?

- Spiritual commitment and growth
- Expecting or asking for the miraculous
- Caring for one another materially
- Intimate fellowship
- Faithfulness in prayer and worship
- Reaching out/growing in numbers
