Life Skills – Spur one Another on – Hebrews 10:23-25
Derived from a sermon on April 14, 2023 by Keith Sandell

Getting Started:

What's your favorite place you've traveled to?

Keith said that in America we prioritize the individuality over the community, do you agree with him? Why or why not?

Searching the Scriptures:

A. Why does faith need to be done in a community?

B. In what ways do we sometimes need some “spurring” in our faith?

C. How can we spur others on in their faith?

D. Jesus said by our love everyone would know we're his disciples. Why do you think Jesus picked love as the defining attribute of Christians?

E. Keith talked about how God loves us even before we did any good works. How do we see this in the Bible?

F. As an individual do you love well? Do you think as a church we love well? Why or why not?

Application of Scripture:

A. As an individual are you authentic with those close to you? As a church are we authentic with one another? Why or why not?

B. Do you have a community here, such as a small group, H2H, connections, etc, that can spur you on to love and good works? If not, how could you find one?

C. What's one way this week you'll love and do good works?
