Getting Started:

What comes to mind when you hear the word "worship"?

Can you share a memorable worship experience you've had?

Searching the Scriptures:

I. What is worship?

- A. Read Romans 12:1. What does it mean for you to present your body as a living sacrifice? Can you think of an example?

- B. Several forms of worship are mentioned in the Bible besides singing (e.g., prayer, service, giving). Which of these do you incorporate regularly in your life, and how do these help you esteem God?

II. Worship consists of revelation and response

- C. How does Isaiah 6:1-8 illustrate the relationship between revelation and response in worship?

D. What does 1 Peter 2:9 say about our identity and purpose in worship?

III. God is blessed when we step out in faith and show Him wholehearted worship

E. How does James 2:17-18 connect faith and action in our worship?

F. What does it mean to worship God in a way that is not about our likes or dislikes, as described in John 4:24?

Application of Scripture:

A. What does stepping out in faith look like in your life?

B. Can you share a time when you felt God was especially pleased with your worship?
