

# Read the Bible in one year with SCC

## Here's your options:

Go to app store or google play and download the dedicated app [Click on this link](#) to start. **When prompted “Have you already started this before?” choose “Yes”** (this is because you are starting after January 1), then choose first option: classic version. It will ask “What day did you get to?”, so choose yesterday. (If it’s January 3 today, choose Day 2 - That’s what you were to read up to.) You are now synced to the correct day!

--- OR ---

Download the [YouVersion Bible App](#) (by life.church) and create an account. To join the plan that began January 1, [click on this link](#) for “SCC Bible 2025”. Accept the “ADD FRIEND” request and then check back later, in the “Plans” part at the bottom of the app, and our admin will send an invitation for “the Bible with Nicky and Pippa Gumbel, Classic Version, 2025” plan which several people from SCC are reading together.

**NOTE: If you are experiencing difficulty, our “Bible App Geek Squad” team members will be available after both services on January 5<sup>th</sup> to assist you in getting things set up properly. Please bring your device to church that day.**
