

## **SCC Small Group Discussion Renovations: The Kitchen**

Derived from a sermon on May 10, 2026 by Dr. Jeff Chandler

### **Getting Started:**

What is the biggest sacrifice you have ever made?

What are some sacrifices you make in your everyday life?

### **Searching the Scriptures:**

#### **Read Romans 12:1-8**

1. What did Paul plead for with his fellow believers? What is the basis of his plea?
2. What did Paul say to give up? What were they to give their bodies up for? How is this worship?
3. What does it look like practically to offer yourselves as a living sacrifice each day?
4. Why is it so easy to conform to the behavior of the world? In what area of your life do you find it most difficult to fight conformity? Why?

5. Who is responsible for the transformation? How is this accomplished?
  
  
  
  
  
  
  
  
  
  
6. How did Paul describe God's will for us? Have you experienced a season when God's will did not seem good, pleasing, and perfect, yet turned out to be so?
  
  
  
  
  
  
  
  
  
  
7. Why does it require a living sacrifice to use our gifts the way Paul instructed? Who benefits when we please God by using the gifts He's given us?
  
  
  
  
  
  
  
  
  
  
8. How do you see the seven gifts listed in verses 6-8 being used effectively at our church?

### **Application**

After studying this passage, how do you answer the question, What is worship? How much of your life involves worship?

What evidence can people see that God has transformed you? Why is it important for Christians to stand out from the rest of the world?
